College & Career Center (CCC)

This is a great place to start college/career searches. Use our library of career, college, and financial aid reference materials, college catalogs, and check out our special parent section. Students and parents are welcome to borrow items for a two-week period. Computers are available to research career and college information, apply to colleges, search for scholarships, and more.

The R-H district is pleased to provide an online program for students and parents to explore education and career options at school or from home:

Naviance Student
<https://student.naviance.com/rhshs>

User Name: Last Name + First Initial + GradYear
 Password: one the student created

E-News: is a weekly email providing information about the college application, financial aid, and scholarship processes, as well as exciting opportunities related to careers and colleges.

Volunteering is a great way to gain work experience while giving back to your community. Many scholarships and colleges look for some form of volunteering on applications. Stop in the College and Career Center to check out the many volunteering opportunities that are available.

Career Shadowing and **Internships** are great ways to gain insight into post-high school possibilities. Contact Mrs. Colleen Murphy for more information at CMurphy@rhnet.org or your student's counselor.

FIRST THINGS FIRST

Senior Appointment: During September and October, every senior must schedule an appointment with their counselor to discuss future plans, seek direction and provide insight that allows counselors to write letters of recommendation for college and scholarship applications. College applications will not be processed until this meeting has taken place. Before this appointment, you must complete a **current résumé, “brag sheet” and the Senior Survey in Naviance.**

COLLEGE/SCHOLARSHIP APPLICATION PROCEDURES

Allow ten (10) school days for Counseling Center staff to process and submit applications.

- We strongly encourage you to apply online. Familiarize yourself with the Common Application, as well as, the online SUNY application.
- Complete and sign a transcript release form (Green Sheet) authorizing R-H to send transcripts and other required information to college/scholarship programs. They are available in the [Google Classroom](#).
- Seniors completing applications online must still submit a Green Sheet to request that academic information be forwarded to their colleges.
- Make sure your Naviance Family Connection account is updated based on ALL colleges you are applying to (electronic & paper).
- Submit completed Green Sheets and applications with all required accompanying documents to the 12th grade secretary, Mrs. Ottman in the Counseling Center @ tottman@rhnet.org. R-H will mail applications directly and pay the postage if necessary. Incomplete applications will be returned to the student.

Letters of Recommendation

To request a letter from a **teacher or counselor**, students must either give in person or email a completed pink Recommendation Request Form. (Allow three to four weeks for them to complete the letter.) If requested, the **counselor** letter will be included when the application is submitted.

Teacher recommendations will be sent electronically. **If applying by paper**, provide the **teacher** with a stamped envelope addressed to the College Admissions Office. Pencil the senior's name and deadline on the envelope flap, as some teachers will be writing a number of letters.

Mid-Year Grades

Seventh semester grades will be sent only to the colleges that require them, and **only at the request of the student**. These grades are not available until mid-February. See Mrs. Ottman, the 12th grade secretary in the Counseling Center.

Please let us know every college you are accepted to. Mrs. Ottman will hang a banner in the cafeteria to highlight all the college acceptances.

Course Adds/Drops

Seniors are encouraged to take advantage of academic opportunities at R-H. Colleges look favorably on applicants who challenge themselves.

The Rush-Henrietta Central School District Board of Education provides guidelines for dropping classes that students must meet. **Be aware that colleges must be notified when a class in progress is dropped.** This may affect admission status.

NCAA

Prospective student-athletes intending to participate in a sport at Division I or Division II colleges should access NCAA information can be found: <https://web3.ncaa.org/ecwr3/> - Cost \$90.00

A Transcript Request Form (green sheet) must be submitted to the 12th grade secretary to have transcripts and test scores sent to the NCAA.

Final Grades

In June, seniors will complete their senior survey on Naviance Student regarding post R-H plans.

In mid-July, a final transcript will be sent to the college that the student indicated he/she will attend. (It is the responsibility of all seniors to notify other colleges to which they have been accepted of their decision not to attend.)
