Connecting

Students:

- * view and discuss notable works of art within art history.
- * understand that artworks are artifacts of different cultures, societies, and times.

Creating

Students:

- * make art that has personal meaning with original ideas.
- * create with a variety of media.
- * learn art techniques.
- * safely use art tools.

Responding

Students:

- * know that art can tell a story.
- * learn to read the visual language of images.
- * interpret artworks' moods and meanings.

Presenting

Students:

- * prepare a collection of all their artwork for an end-of-the-year portfolio in May or June.
- * choose artwork for showing.
- * know where art is displayed.
